## Customer Reviews

I've been a big fan of Greg's art directing work (in both Cleveland and Florida) for many years and he certainly didn't disappoint here. Given the horrible vagaries of the book business in general, I, for one, am glad this book exists. (And, he did "fair use" for most of the images, which is cool.)

I am an artist with a keen interest in psychedelic art, and found this book a very useful reference guide. unfortunately i lent to to a freind who tore most of the pages out. in W.A. i cannot get it anywhere so I thank you for having it amongst your titles!
