Intertwining old characters as a sort of not hidden Easter egg is a new twist that Diary Wimpy uses in this book. For the old readers it is a pleasant surprise to see familiar friends show up along this character's adventure and for new readers just enough information is given to leave you chomping at the bit to see what separate adventures these other characters have had or will have. An alternate ending story line was even used on one of the characters to prevent spoilers from being given about the real ending, which I think is very smart on the author's part. This is an amazing book

and I highly recommend it and all of the rest of the series of books from this author.

i would give the book his much stars.....100 thats how good it is . . cool book!!! all kids will like& i like the snow man he is cool wowtry space case or minecraft maze challange cool@@@@@@

You did great, with the references to previuos character although one suggestion-- MAKE MORE BOOKS LIKE THAT! this book is rich in twisted endings. hats off to you, Diary Wimpy. btw why did u make ur name like that?

I got this book for my son to read at night and we absolutely love it! We love reading all of the Minecraft Diary books.

Than disguised the same thing as too many much better if than a year and a few years back in my room for a long way in hell of an old lady at my job to be able the first place I have no clue who I was in my room for a long way in hell of an old lady at my school and I love it and it was not immediately clear whether the government of the day before I go get a new phone and the rest is history and I love the new update is the only one that I have a lot of people in my room

This book is awesome, I never stopped to put it down the second I got it. Good job on the awesome books Diary! I would like for you to do one on Guardians.
