Goodnight Moon Book And CD (Spanish Edition) (Libros Para Mi Bebe)

Synopsis

Buenas noches, Luna por Margaret Wise Brown Ilustrado por Clement Hurd En una gran habitación verde, arropado en su cama, está un conejito. -- Buenas noches, habitación. -- Buenas noches, Luna -- dice el conejito. Y así sucesivamente, le da las buenas noches a todas las cosas que reconoce en su cuarto: al cuadro de los tres ositos sentaditos en sus sillas, a los relojes y a los calcetines, a los gatitos juguetones y a los lindos mitones. En este cuento clásico de la literatura infantil, adorado por generaciones de niños, la poesía que encierra su texto y la ternura de sus bellas ilustraciones convierten a éste en un libro ideal para culminar el día.

Customer Reviews

Our (native English-speaking) toddler loves the book "Goodnight, Moon", which is an important part of our bedtime ritual. We recently purchased "Buenas Noches, Luna" as part of our goal to help expose him to other languages, and to particularly to teach him some Spanish. He enjoys both the book and CD, which come in a plastic book and CD case to keep them both safe.

I have been reading this book to my son for 5 years and he still loves it. I love the Spanish translation. I have given the CD/Book combo to friends and they and their children enjoy listening to it. It is a sweet, peaceful book to read at night with your little one.

This is a great book for a first grade class, I use it for story time in Spanish at school. It is a valuable resource if you are teaching Spanish at the same time you are touching down in content.

Great Spanish audio and book. Good narroator voice.
