The English Girl: Gabriel Allon, Book 13

Synopsis

Daniel Silva delivers another spectacular thriller starring Gabriel Allon, *The English Girl*. When a beautiful young British woman vanishes on the island of Corsica, a prime minister's career is threatened with destruction. Allon, the wayward son of Israeli intelligence, is thrust into a game of shadows where nothing is what it seems...and where the only thing more dangerous than his enemies might be the truth.... Silva's work has captured the imagination of millions worldwide; his number-one New York Times best-selling series, which chronicles the adventures of art-restorer and master spy Gabriel Allon, has earned the praise of listeners and reviewers everywhere. This captivating new pause-resister from the undisputed master of spy fiction is sure to thrill new and old fans alike.

#205 in Books > Audible Audiobooks > Mysteries & Thrillers > Suspense #231 in Books > Audible Audiobooks > Fiction & Literature > Action & Adventure

Customer Reviews

I wish the real world had someone like Gabriel Allon--art restorer, spy, and master assassin-(though it would be nice to avoid the last category) who was able to solve kidnappings, capture criminals, and expose corruption as quickly and completely as he does. We don't, so we have to settle for imaginary ones. In *THE ENGLISH GIRL*, a beautiful, intelligent young woman, Madeline Hart, was on vacation in Corsica with friends from work when she disappeared. Madeline worked for England's Prime Minister and was on her way to notable success in government but her disappearance is not reported to the usual authorities. With an election coming up, the Prime Minister, Jonathan Lancaster, doesn't want the story publicized because it might harm his chances of reelection: Madeline is his mistress. A month later, he received a ransom note with very little

information but saying if the demands weren't met, she would be killed in seven days. Gabriel Allon was called in but Lancaster and his close advisor, Jeremy Fallon, refused to follow Allon's advice for the negotiation. The kidnappers demand they want \$10,000,000 pounds to be delivered by Allon. He agreed to be the courier and built a team to help determine who kidnapped her and why as well. Just when everything should be settled, everything fell apart instead. (Hint: in a book of almost 475 pages, you know it won't be solved by page 212.) The plot takes him to Corsica, France, England and Russia where he met several characters from previous books and introduces some new ones. Like all of Daniel Silva's books, there are many twists and things are not always what they seem to be. The end of the book points to a different life for Allon. Should be very interesting. The wonderful writing is fast-paced cohesive.
