WHY IS IT ONLY ON KINDLE!!!?? I don't have a Kindle and I don't want to buy one. That is so ridiculous. I want a real book copy. If you're going to put things on kindle, then there is no reason for me to buy it. I can just go and get the info online.... You know.... For FREE. I refuse to pay \$100 for a book. What are you going to release the paperback copy a year from now?

Bought this to help online play. This only explains the basics of gameplay and can only be useful for new players.

When I tried a sample for this, I found that it only tells about Octo Valley, or at least most of it.
