Mosaic (Stylish & Simple)

Synopsis

Make your own mosaic creations. Thirteen fun and imaginative projects include a decorative mirror, an animal frieze, a table top, and a terracotta planter. Emma and Tessa explain all the basics about materials, tools, and techniques. Over 150 full-color photos accompany the step-by-step instructions.

Customer Reviews

I have been interested in doing mosaic projects but did not know anything about how to get started. This book is very understandable, it tells exactly what tools are needed for each project. It also has a variety patterns to follow outside of the pictures. I highly recommend this book for the beginner or the experienced. There are a lot of great ideas!

I always look for the unusual in artists. I love the color combos and the use of curves, etc. in Emma's work. This book will give you a new direction creatively. I'm happy I bought this for my collection.

Excellent reference book with wonderful photos and clear concise comments. Useful to most mosaic artists. I love looking at it and am often inspired in coming up with new ideas for my own work.

There are a few animal themed projects in this book I am looking forward to making. Good project ideas and instructions seem to be thorough.
