## **Customer Reviews**

It was in good condition despitr the folded corner, other than that nothing drastic. It DID NOT come with the CD, so if you're looking for the included CD don't buy this :(

I liked the variety of pieces. I also enjoyed the fact that there are some challenging pieces that require a fair amount of practice.

Everything was just perfect 'Œ highly recommend transactions with this seller.

Book was new the book was correct as ordered matched the ISBN I ordered.

Great price on college books. They arrive in 2 days with prime.

A super useful book, and I got it for a third the price that I would pay at my university store! Plus, I

got it in the mail three days earlier than expected!! Great experience!

it is very useful.

The first twenty pages of my book are misprinted, so I don't have the first two and a half pieces of the anthology, but the rest of the book seems to be okay.
