Synopsis

The back of the case says "Who can forget the grace, artistry, and joie de vivre Fred Astaire and Ginger Rogers displayed when they tap danced across the screen? Something about the way they moved and generated that rat-tat-tat rhythm with their steps made you just want to jump up and hoof it on the kitchen linoleum. With The TAP DANCING Kit you've got all the makings of a private dance lesson in one great package." The Kit includes instruction booklet, music CD, heel and toe taps, soundboards and screws. A fun way to start a new hobby!
