Customer Reviews

Just read this as a bedtime story to my kiddos ages 5 and 9. They, and I really liked it. A couple belly laughs and a lesson within. My thanks to the author for a delightful read.

This is a great book for kids and a great lesson for everyone who wants to be big. Wait... everything has a reason. Maybe yours is safety.

As a child, I could relate to this. I liked how a lesson was included. Sweet story!
