## Synopsis

The course consists of lessons centered on an audio blog that is completely in Spanish. These audio blogs take you around Spanish speaking countries and introduce you to many different aspects of these countries, including culture, history, folklore, arts, and more. These blogs will also teach you all about many different cities, and what they are famous for. Along the way, you'll pick up sophisticated expressions and advanced grammar in this Audio Blog series presented entirely in Spanish. The lesson starts with the Spanish blog, which is all in Spanish and at native speed. Finally, practice what you have learned with the review track. In the review track, a native speaker will say a word or phrase from the dialogue, wait three seconds, and then give you the Spanish definition. Say the word aloud during the pause. Halfway through the review track, the order will be reversed. The Spanish definition will be provided first, followed by a three-second pause, and then the word or phrase from the dialogue. Repeat the words and phrases you hear in the review track aloud to practice pronunciation and reinforce what you have learned.
