Synopsis

An Effective Way to Improve Your Spanish Reading and Listening Comprehension Skills This book makes use of simple yet entertaining stories to help you learn Spanish. By covering a diverse range of grammar structures and vocabulary, and supplementing it with audio, you can improve your reading and writing skills, and even practice your listening and pronunciation. **No Dictionary Necessary** This book comes with a Spanish and English glossary embedded within the stories themselves, so there will be no need for a dictionary to help you with words you do not understand.... **Improve Your Listening Skills in Spanish** With the help of the audio, you can give your listening skills a boost, as well as practice your pronunciation. Recorded by a professional voice talent from Madrid, Spain, the stories are narrated using a standard Spanish voice at a slightly slower speed than how actual Spanish people speak. This will allow beginners and low-intermediate learners to grasp the narration properly. Extra care has also been given to the recording of the audio to ensure a pleasurable listening experience for learners. **Boost Your Comprehension with Useful Learning Aids and Extra Features** Aside from the audio material provided, you will also find: Questions at the end of each chapter to promote comprehension. A summary of the story: After each chapter, you are encouraged to write a short summary of the story, and you can compare it to the provided summary to check your understanding. **Learn Useful Vocabulary for Everyday Situations** This book contains a total of 10 short stories with themes about everyday activities and ideas.
