Missing People: The Multiple Effect: True Case Studies Of Unexplained Disappearances

Synopsis

Harrowing and Mysterious Tales of Multiple Disappearances! Are you fascinated by mysterious and unsolved cases? Do you like to speculate on what might have happened? Do you want to know more about the many missing persons in the United States who are never found again? If so, then Richard Bolden's Missing People - The Multiple Effect: True Case Studies of Unexplained Disappearances is the book for you! You'll learn how groups of people can disappear - all at the same time. From small groups of friends to an entire community, this book examines some of the most puzzling unsolved mysteries of our time. Read This Book FREE on Kindle Unlimited - Download Now! Do you wonder what happens when people disappear? Do you worry about yourself - and your family? Is it hard to imagine how families and children can go missing - especially in large groups? In cases like the "Fort Worth Three", "The Lyons Sisters", and "The McStay Family", (and many more) you'll puzzle over how groups of family members could go missing without an explanation: Were they kidnapped? Did they run away? Is important information being withheld? Was there a cover-up? Does someone out there know the truth? Remember - You don't need a Kindle device to read this book. Just download a FREE Kindle Reader on your computer, phone, or tablet! Missing People - The Multiple Effect: True Case Studies of Unexplained Disappearances relates the frightening and intriguing tales that have stumped detectives and investigators for years, decades, and even centuries. In "The Crew of the Sarah Joe" to "The Roanoke Colony", you'll learn about how large groups of people can simply vanish - leaving behind only vague clues and mysteries! Perhaps you will be the one to puzzle out the truth of these fascinating multiple disappearances! Download your copy of Missing People - The Multiple Effect right away!

Customer Reviews

When I opened this review, I was quite surprised, there were no other ratings but this one. Good work on this. I never read a book that had such in depth back stories. Every case was well researched and very educational. I will look forward to more from Mr. Bolden
