Customer Reviews

Last year (2016) was a layout disaster; the fonts were thick, childish, and hard to read. They fixed all that with the 2017 calendar. It finally hit total perfection. The layout of the calendar portion is crisp, clean, and readable. All the text is horizontally oriented, unlike last year. Of course, the photography seems to get better every year, so this year they nailed it. To the people who designed the calendar -- don't change the layout each year! You got it right this time!!

Gift for my hubby for Christmas. Always a winner!
