Synopsis

CARDINAL OF THE KREMLIN Mikhail Filitov is a war hero and Red Army Colonel, but his CIA code name is "Cardinal." THE SUM OF ALL FEARS Peace may finally be at hand in the Middle East -- as Jack Ryan lays the groundwork for a plan that could end centuries of conflict. Customer Reviews

These three novels by Clancy were all excellent stories. If you are a true fan of Tom Clancy, do not let these take the place of reading the novels. However, I still enjoyed listening to the abridged version after reading his novels. Those new to Tom Clancy should enjoy this series of stories, as all of them are intriguing. My introduction to Tom Clancy was through an audiobook, and now I've read thousands of his printed pages. See for yourself.

I have always wanted to read these books but have never had the time to. I bought these to listen to

them at work and they worked out great. Tom Clancy is an amazing writer and these are some of his best books. I would also recommend that you get Rainbow Six on CD if you like this collection.

If you're a Tom Clancy fan, this collection is for you. Included in this collection are The Sum Of All Fears, Clear And Present Danger, and The Cardinal Of The Kremlin. Believe me, this is one of the best collections of Clancy's works out there today! Definitely worth the money!

I have listened to this set of stories several times while traveling along in my vehicle. Well done. I just wish that there were sets like this for some of the other Clancy books.

Seems to be an abbreviated version, disappointing in that respect.
